Not This...

But THIS Will Save You More Money

A&P's PRICE POLICY

Storewide Low Prices on Hundreds of Items Every Day...

... instead of just a few one-day or week-end "specials."

Advertised prices are guaranteed for one week, even though market prices go up. We believe this policy helps our customers save more money.

With the correct price marked on every item, plus an itemized cash register slip... you know what you save at A&P.

The average family requires a wide variety of foods and household needs every week. It stands to reason, therefore, that it is more advantageous to shop where you can save money on many of the things you need rather than on just a few "specials." At A&P you can not only do that, but do it any day you choose, because in addition to A&P's storewide low prices on hundreds of items A&P's advertised prices are guaranteed for a full week, even though market prices go up.

(Prices shown here guaranteed Wednesday, Dec. 6 through Tuesday, Dec. 12)

Customers' Corner

In order to give you the utmost in quick, convenient and satisfying shopping, we have extended self-service to most of the departments in your A&P.

But that doesn't mean that when you come to A&P you're "on your own."

The large, well-trained staff in your super market are anxious to give you all the help, guidance and individual attention you need.

For instance, if you can't find a particular item or department don't hesitate to ask for it. And if you want a special cut of meat, ask for that, too.

We will welcome any suggestions you may have that will help us make self-service mean better service to you.
