As we've been saying for quite a spell—"Whatever your price range—Better buy Buick."

But maybe we'd better get down to brass tacks, as to just what this suggestion means.

In the lower-price field, this has been happening:

Four out of ten Buick SPECIALS - bought by people with a car to trade in — have been bought by folks who formerly drove one of the so-called "low-priced three." They found they could afford a Buick!

In the fine-car field, something even more impressive has happened:

Four out of five people who looked at a ROADMASTER and another very distinguished automobile decided in favor of ROADMASTER!

So - whatever your price range, take a look at our prices - and at what you get for your

What you get is the thrill of owning the greatest Buick of all time as registered by record-breaking sales.

What you get is power and style and comfort and performance that are hard to match in any other automobile.

More specifically—you get the power-with-thrift of Buick's famous Fireball high-compression engine—a style that stands out in any company—a ride with the comfort of coil springs on every wheel-and performance that makes you feel like the head man on any highway.
