## Customers' Corner

Do you find A&P shopping hours convenient?  
If you shop the first thing in the morning, do you find the store neat and well-stocked and the clerks ready to serve you?  
If you shop the last thing at night, do you get courteous, efficient service right up till closing time?  
Are there enough clerks on duty, and checkout stands open all during the day so you aren't kept waiting?  
If not, please let us know.
