**Pierce Cubs Honor Dads at Banquet; Plan Annual Circus**

It was a father and son affair last Wednesday evening when members of the Pierce school Cubs staged their annual banquet. The affair, held at the Community House, had 148 in attendance. Donald Fish was in charge of arrangements.

A program was presented after the banquet, highlighted by the appearance of Commando, the trained dog of television fame. Charles Savage gave several piano numbers. Group singing was led by William Spence in attendance. The tables were decorated by the Cubs, with the theme ranging from a merry-go-round to an Indian tepee. Additional decorations, used as place cards, were favors which were made for their dads by the boys.

The awards earned by the boys for their Cub Scout work were presented at this time. The name of Jack Miller, Den #15 winner of a wolf badge with gold and silver arrows, was inadvertently omitted from the list published last week.  
The next big event on the Pierce Cub list is their annual circus. Plans have already been started to shape the various acts and prepare the needed scenery and costumes. Every member of the pack will have a part in the program.
