To Seek Court Action on Unpaid Garbage and Rubbish Bills

Every dollar counts, so the city is determined to take into court those persons who do not pay up their city garbage and rubbish bills.

Particular offenders are business tenants, said City Manager Donald C. Egbert, who leave unpaid bills of $12 to $15.

Several past due accounts are all ready for prosecution, he said.

Gas Storage on City Property Not Needed

The Harrison Floor Covering Co. will not need the use of city property for storage of bottled gas for heating purposes, it has advised the city.

City Manager Donald C. Egbert said he had been informed the company will be able to get natural gas for heating the new building now under construction on S. Hunter.

The city commission followed his recommendation that the $360 a-year lease for the city property be cancelled.

Red Cross Workers to Meet at Brunch

Mrs. Walter Powers will be hostess at a brunch at 11 this morning in the Community House. The purpose of the gathering is to explain to local chairmen why Birmingham and vicinity must conduct a Red Cross drive this year.

Edwin S. Stearns, Jr., of New York and Mrs. Beb Adams, executive secretary of the women's division, will speak.

Credit Bureau Head Attends Conference

Mrs. Robina Neiger, Birmingham credit bureau manager attended the 25th annual business conference of the Associated Credit Bureaus, fifth district, in Chicago, Feb. 19-21.

Consumer credit soared to a new all-time high in 1949, reaching a total of more than 18 billions of dollars, according to Federal Reserve Board statistics. This is almost a two and a half billion dollar increase over the preceding year.

As manager of the Birmingham bureau, Mrs. Neiger has the "grass roots" picture of consumer credit in this community. At the "business conference" of credit bureau and collection managers she was able to compare the local situation with similar cities in the six-state area of the fifth ACB district.

Classified ad deadline is 5 p.m. each Tuesday.
