Customers' Corner

What do you consider good service in a food store? Do you get it at your A&P?

Of course, we expect all our employees to be friendly and courteous. But we think good service goes beyond that. We train our employees to be prompt, efficient, helpful and accurate as well.

To us, good service means quality food offered at low prices in clean, well-stocked and well-operated stores.

Any time your A&P doesn't measure up to these yardsticks of good service, please let us know about it. Write:
