See the quality

Look where you will—you'll see Ford's quality. Look at Ford's "Fashion Car" styling. It's more beautiful than ever. Run your finger over the baked-on enamel. It's "built to live outdoors." Feel the long-lived uphoistery.

Hear the quality

Ride herd on Ford's 95-horsepower SIX engine, Sure, Ford's the traffic king for power, yet it never raises its voice. Like the new "hushed" V-8, Ford's advanced SIX whilepers while it works. And you needn't raise your

voice to be heard, even at highway speeds.
