

Have You Met . . .

Mr. and Mrs. T. W. Mertney who have come from Royal Oak to live at 948 S. Bates? Mr. Mertney is with the Packard Motor Company.

A one-watt fluorescent glow lamp is on the market to serve as a night light in bedrooms, nurseries, bathrooms, halls or on stairways. Its walnut-like bulb is mounted in a base that can be plugged into any standard outlet.

TWO COMPLETE OVENS

... IN THIS NEW GENERAL ELECTRIC "PUSH-BUTTON" RANGE!

Looking for complete cooking convenience? Stop right here. Because this wonderful, new G-E Automatic Range has it! Clips cooking time. Now you can prepare several oven dishes at once . . . a roast in one spacious oven, baked biscuits in the other. Each oven warms, bakes, broils or roasts on its own. Automatic timer-controlled, or you can operate each oven separately—by hand. Just think—everything's ready for eating at one time.

Wonderful "push-button" panel, too... with "Tel-A-Cook" lights that show what heat is on each cooking unit. Until you've actually tried this sensational, new way to "cook with your finger tips" you can't really imagine how perfectly easy and simple cooking can be!
