Annual Adams P.T.A. Frolic to Feature Pied Piper Puppets

Climaxing a round of varied activities at the Adams school Frolic on Feb. 3 will be the appearance of the Pied Piper Puppets during the evening show in the school auditorium.

To accommodate the growing popularity of the annual Frolic, two identical performances have been scheduled, the first show at 7:00 p.m. and another at 8:00 p.m.

J. E. Weldy, program chairman, has announced that admission charges have been reduced this year and to the same price for both adults and children.

This will be the third appearance of the Pied Piper Puppets at Adams school. A completely new story, "Pepi and the Magic Well" is based on the old Spanish legend of the boy who tumbles down a well and comes up with a pot of gold. It's theme is written to the rhythmic beat of life south of the border.

Included in a performance are dancing fish and a giant octopus are shown.

Key to Business

As colorful as the story of "Pepi and the Magic Well" is the story of Carol and Jim Tait, creators of the Pied Piper Puppets. Not all Adams parents know that the Tait's are almost their neighbors, living in Lake Orion.

During July and August, Tait makes new puppets and scenery for the story which will be the coming season's show. All stories are original, and all written by Carol Tait.

Swing Your Partner at Adams PTA Dance

The next Adams school square dance is scheduled to be held this Saturday, Jan. 28, from 9:30 to 12:00 o'clock.

Mr. and Mrs. Ted Millington will be host and hostess for the evening and are to be assisted by Mr. and Mrs. T. Hollister Maney, Mr. and Mrs. Arthur McDonald and Mr. and Mrs. Stuart Cobb.

Those attending will find the gymnasium turned into a winter sports setting as the Brennans call "do-it-do" and swing your partner.
