Announcing - 1950's First and Foremost Fine Cars

The NEW Lincolns

ON DISPLAY FRIDAY

NOTHING could be finer—inside or out—than the beautiful new 1950 Lincoln and the magnificent new 1950 Lincoln Cosmopolitan on display starting tomorrow in our showrooms.

Outwardly, their superb new body styling stamps them as being the most distinctive fine cars in America.

Inwardly, their rich new upholstery and appointments make them the most luxurious, too. For their brilliantly fashioned new "Salon Styled" interiors are definitely the most beautiful in the world.

And on the road, their new range of performance is unquestionably in a class by itself. In the track of traffic, or on the wide open highway, they are a sheer joy to drive...instantly alert...powerfully responsive. Just a few minutes behind the wheel will convince you that nothing could be finer in action than the great high compression Lincoln "INVINCIBLE 8" engine combined with HYDRA-MATIC...with freedom forever from gear shift and clutch pedal!

And nothing, you will also discover, could be easier than Lincoln's new velvet-touch steering...or more comfortable than its new weather control system...or more restful than its new Fiberglas soundproofing...or more relaxing than the wonderfully soft Lincoln springing.

If you haven't yet made an appointment with us, by all means do so now. Once you drive the new 1950 Lincoln or new 1950 Lincoln Cosmopolitan, you, too, will be certain that nothing could be finer. And we promise you'll be pleasantly surprised about the prices.

*Optional at extra cost

Nothing could be finer
BE SURE TO COME IN AND SEE THEM...
