PTA Topics

Used books for children will be sold at the next regular meeting of Lathrup PTA Wednesday, Jan. 18, at 8 p.m. in the school auditorium.

Children are urged to bring books which they have no use for to the school. The books in charge of the sale will be Mrs. William Mikulas and Mrs. Leonard Pytko who will collect books from residents unable to get them to the school.

The guest speaker for the evening will be Mrs. Ben D. Mills, who was several years with American Red Cross in England. She will speak on the schools of England, as compared with the United States.

Another highlight will be an explanation of a savings plan for children through the purchase of U. S. Treasury stamps. Mrs. U. S. Cobb has been appointed by the executive board of the Lathrup association to handle the sale and distribution of stamps.

Mrs. C. H. Starkey has been named chairman of the nominating committee by the executive board of Lathrup PTA.

Members of the St. Sebastian Guild, Shrine of the Little Flower, held the January breakfast meeting today at the home of the newly elected president, Mrs. Lawrence McLaughlin of Vinsetta boulevard. Officers were installed.

The retiring president, Mrs. Edwin Bruffer, opened her home at a tea for members last Wednesday. An Italian cut work embroidered linen tablecloth covered the refreshment table which was centered with traditional holiday greens and candelabra.

In Missouri Mr. and Mrs. E. C. Jenkins of Santa Barbara drive were called to St. Louis, Mo., Christmas Eve by the illness and death of Mrs. Jenkins' sister.

Republican Club Tonight at 8 p.m., the Southfield Township Women's Republican club will meet in the home of Mrs. John Diederich. The president, Mrs. Herman F. Luhrs, will

Sales Representative to Locate in B'ham

Appointment of A. F. Woods as district sales representative has been announced by Marlow Pumps of Ridgewood, N. J. His headquarters will be in Birmingham.

Woods was formerly district sales manager for the Yale and Towne Manufacturing Company, pump division, and prior to that an engineering officer in the Army Air Forces.

A self-extinguishing safety tank for gasoline and other inflammable liquids has been invented. Attached to the container is a reservoir of fire extinguisher under pressure. It is held back by a diaphragm that fuses at the flashpoint of the liquid and releases the substances as soon as a fire starts.

General display advertising headlines at 5 p.m. each Tuesday.

TO BLESS ALL MANKIND

The discoverer and founder of Christian Science established subjects of weekly lessons that are read each Sunday in all Christian Science Churches throughout the world. Passages relative to these subjects are taken from THE BIBLE and the Christian Science textbook SCIENCE and HEALTH with KEY to the SCRIPTURES by Mary Baker Eddy.

Every day, except Sundays and Holidays, the local CHRISTIAN SCIENCE READING ROOM is open at 355 EAST MAPLE from 10AM to 6PM and evenings except Wed. & Sat. 7 to 9PM so that anyone may study these lessons or purchase THE BIBLE and all AUTHORIZED WRITINGS ON CHRISTIAN SCIENCE. A Lending Library is also available.
