Customers' Corner

When you buy a can of food, you can't see the contents.

That is why the labels on practically all of A&P's own quality brands of fruits, vegetables and juices tell you exactly what the can contains.

We tell you the U. S. Government grade.

We explain exactly what that grade means.

We list the uses for which the grade is best suited.

In other words, we not only want you to get quality food at low prices at your A&P, but we want you to know in advance what you're getting for your money.

Read the labels carefully on your A&P canned foods. If the contents should ever fail to live up to our claims or your expectations, please let us know.

JIMMY, THE JET JOCKEY—Wearing a duster and an expression of determination, Hollywood actor Jimmy Stewart has announced that he'll accept Wilbur Shaw's open challenge to a soap boat derby race. Shaw, three-time winner of the 500-mile Indianapolis classic, stipulated that the cars be motorless. Jimmy's car is engineless, alright, but it is equipped with no less than 23 jets. The pair will meet at Akron, O., on Aug. 12.
