

Have You Met . . .

Fred M. Alger, Jr., Michigan's Secretary of State in a talk Monday to local Rotarians: "On my way up here this morning, I came over Maple avenue from Grosse Pointe. Back when I was a kid, I used to ride my bike along this route on the way to Dad's farm out on Adams road. Those intervening years certainly have shown Birmingham's marvelous progress."

News and society copy must be in The Eccentric editorial office by 4:30 each Tuesday afternoon.

Begins Training at Warren Field, Wyo.

WARREN AIR FORCE, Wyo., July 7.—Pfc. Erling R. Landman, Jr., son of Mr. and Mrs. E. R. Landman, 3106 Auburn, Birmingham, Mich., has begun training at the USAF technical school here. It has been announced by Colonel Charles Backes, Commanding Officer.

Besides fixed wire communication courses, there are the powerman school, special equipment operator course, automotive mechanics and an administrative course at this historic old former cavalry post, now a part of the Air Force training command.

Sarnia Again Bows to B'ham Netters; Women Start Play for Milbrand Trophy

Sarnia (Ont.) Tennis Club played a return inter-club match with Birmingham Tennis Club on the courts at Kingswood school, Saturday afternoon. The local team defeated the Sarnia players as decisively as they did at two weeks ago.

BTC players won four singles and two doubles matches while the club's women players were placed third and number one doubles match was called after Sarnia had won the first set 13 games to 11.

Playing in the number one singles spot for Birmingham was Francis Coppel who won a hard fought closely contested three set match from Sarnia's number one player George Lukk by scores of 6-4, 5-7, 6-5.

Lukk who is in his second year of residence at Sarnia came to Canada as a displaced person. He is a chemist for the Imperial Oil Company and has a PhD in chemistry from his native Estonia. Before the war he was a member of the number one doubles team of Estonia.

New Disney Fantasy Brings Love, Laughs To Local Theater

"Cinderella," Walt Disney's latest technicolor spectacle, will be shown through Tuesday at the Birmingham theater.

This all-cartoon fantasy of Charles Perrault's famous fantasy given the complete Disney treatment with a new crop of comical animal characters providing light touches to the legendary love story.

Radio singer Ilene Woods is the voice of Cinderella. Five of the first songs in the picture have reached top levels since it has been released.

annual club tournament this weekend for the Milbrand Trophy donated by Mr. and Mrs. Otto Milbrand, 1000 Long Lake Road, Bloomfield Hills.

Mrs. Kathryn Smith was last year's winner. Thirty-nine of the club's women players were placed in the draw Sunday by tournament Chairman Richard Gabori and club President Ray C. Sackett, and will be battling all of next week for the coveted trophy.

The men's tournament for the Averill Trophy, donated by George and Paul Averill, will be held this week in August. This will bring together many of the best players in this area who are members of the Birmingham Tennis Club.

Both of these tournaments are restricted to members of the club.

New Movie Venture Forms Here; Need Talented Personnel

Harvey Croze has announced the formation of a new division of the Contemporary Photographic Society of Michigan which will deal wholly with motion pictures.

The cinema division will be for people who are interested in acting, writing, directing, camera work, lighting and the many other facets of a well-rounded motion picture industry.

At present a need exists for persons in all these fields. Those interested are requested to contact Harvey Croze. An organization meeting will be held Monday evening in the museum facade of the Cranbrook art academy at 8 o'clock. Interested persons may get more details at this time.

CROZE, WHO WILL act as production director, said the group will work on a cooperative basis to produce movies.

"Opportunities are open to anyone, regardless of experience or race," he said. "All one needs is a belief in his ability, interest in the project and the willingness to give some spare time to this endeavor in the field of motion picture art."

"We have only begun. At present we do not even have a shooting script. Our greatest need right now is people, all kinds of people."

Next Best Thing to a New Road!

YOU must understand, of course, that nothing in the world can take the place of a beautiful ribbon of improved highway—

—stretching so enticingly into the open country, and all but beseeching you to come for a ride!

But under the happiest auspices, you will have to do much of your driving, for years to come, down roads and highways that leave something to be desired—

—and how lucky you'll be if you ride them out in a 1950 Cadillac!

In recent years, Cadillac has carried out a tremendous program of research

and improvement to achieve a finer "rough-road" ride. The development work has covered steering, springs, shock absorbers, frame, wheels, tires, shackles—and all the attendant engineering problems involved.

In the 1950 Cadillacs, this program has come to full fruition—and the results are simply a revelation.

First, you get wonderful *balance*. The car "stays put"—and you have a reassuring feeling of stability, even when the going's uncommonly rough.

And your ride is amazingly *level*. You "float" over the bumps and the depres-

sions, ever so gently. Only a road so bad that it deserves condemning can make itself obnoxious to either the driver or passengers.

And, of course, the remarkable *quietness*, of both body and chassis, shows up most dramatically on the roughest roads. For quality tells its finest story when the pressure is greatest.

Yes, there can be no question that a 1950 Cadillac is the next best thing to a new road!

Why not come in and get acquainted with this wonderful car? We'd be happy to see you any time.
