"The boys who are often forgotten by their folk," Mrs. Snyder said; "or whose people live at a distance are lonely and have expressed a wish to have a man to talk to about sports and what is going on in the men's world. There are so many lonely ones there. To us, the war is over, but for them, it may never be over. Two young men in their early twenties are on stricker beds with spine injuries. Won't you help?"

The new officers will be installed at the picnic with Mrs. Jones, state president of Ferrdale, officiating.

### Believe it or not, that free swinging "skirt" with the inverted pleat is really a culotte, designed for action. It's made of menwear type cotton sailing. The cotton broadcloth shirt of burnt orange is the perfect companion.
