

Veteran Golfer's 18-Year Campaign Nets Hole-in-One

After eighteen years of golf, Joseph B. Moery of Cedar drive finally carded an ace. Moery hit his perfect golf shot on number three at Birmingham Country Club while playing in a threesome with Roland W. Reese and Hal P. Buerge last week Wednesday afternoon. Moery hit from the back of the tee on the 155-yard hole with a four iron. The flight of the ball was perfectly straight, hitting the front of the green and disappearing over a rise which hid the bottom of the flag from view. The threesome, knowing that it was a very good golf shot, did not realize how good until the ball was found nestled in the cup. Moery turned in an 81 for the eighteen holes.

Local Sculptor Designs YMCA Plaque

Marshall Fredericks, well-known Birmingham sculptor, puts finishing touches on a plaque of Dr. Charles A. Eastman, while Walter Van Hine, YMCA director of Hi-Y work and of Camp Ohiyesa, looks on.

Dr. Eastman, a Sioux leader of Michigan (now deceased), was named Ohiyesa, or the "winning runner," by the Sioux.

Because of his interest in the founding of the YMCA Boys' Camp near Holly, in 1919 the camp was named for Dr. Eastman.

Fredericks' work will be officially dedicated at camp ceremonies and placed in a permanent display on the campus.

Camp Ohiyesa will operate five periods this year: June 26-July 10, July 10-July 24, July 24-August 7, August 7-16, August 16-25. Boys nine to sixteen years of age may attend. There are still openings in each period.

Mich. Bell Stays at League's Top in Softball Play

Michigan Bell came up with the best game of the current softball season in the Birmingham YMCA-city recreation league Monday to defeat Fox and Hounds Inn and retain their first place rank.

Raymie McBride, on the mound for Michigan Bell, allowed but one base hit, struck out six and allowed only seven batters to reach first base.

Bill Golling gave up four hits to Michigan Bell but two of these were coupled with an outfield fly in the seventh inning to produce the winning run.

JIM BURTRAW put a Texas leaguer in the outfield and advanced in the Birmingham YMCA-city recreation league Monday to defeat Fox and Hounds Inn and retain their first place rank. The loss was Fox and Hounds first of the season.

Birmingham postoffice employees won two games this week, defeating Birmingham Merchants, 2 to 0, and Craig sporting goods store, 9 to 6.

In their game with the Merchants, Jack Wade struck out five and allowed only two hits, one of which was a home run by Bob Carrahan. Jake Wade allowed only four hits but these came behind walks and accounted for all of the postoffice runs. Craig's dropped their third and fourth losses of the season, losing to Fox and Hounds 13 to 2 and to the postoffice by a score of 9 to 6.

CRAIG PITCHERS put 17 men on base through walks and hit batters in their game with Fox and Hounds and of these, nine scored. Joe Steelman with four hits in four trips to the plate and seven runs batted in led the hitting for Fox and Hounds. Dick Dunn had two hits in three times at bat and played a flawless game at first base for Craig's.

Birmingham Merchants were rained out in their contests with Fox and Hounds and the two will meet at a later date. Scores of games played last Tuesday came in too late for publication. Games tonight put Birmingham Merchants against Fox and Hounds at Howard Field. Michigan Bell Telephone opposed Craig's Sporting Goods Store at St. James park. Both contests start at 6:30 p.m.

STANDINGS THROUGH June 19 are:

	Win	Loss	Pct.
Michigan	5	1	.833
Bell	2	1	.667
Hounds	3	4	.423
Craig's	2	4	.333

Picnic Salad

Leftover pork roast comes in handy for picnics. For a hearty salad, cut the cooked pork into small pieces, add diced celery, salt and paprika and toss with French dressing. Chill the salad before serving it on crisp lettuce.

So Right!

Mint and chocolate are so right together. Next time you make your favorite chocolate pie, add finely crushed peppermint stick candy to the meringue topping.

In selecting cantaloupes, give attention to the scar at the stem end of the fruit. It should be slightly sunken, smooth and well colored. The vein-like netting should be full and rounded. If the melon is well ripened, the netting will be coarse.

If you don't want it, some one else undoubtedly does—sell it to them thru an Eccentric Classified Ad.

HARDWARE HEADWEAR—The modern kitchen provides abundant inspiration for designers at a recent "hardware hat" show in Miami, Fla. Two of the more imaginative products were the kettle creation, left, modeled by Carol Eckert, and the strainer topper, right, worn by Mary Ann Lewis. Cooking utensil motif makes them particularly useful on picnics.
