One Hearing Set June 19, Three More on June 26

City commissioners have set a sidewalk hearing for June 19 and will hold hearings June 25 on the closing of a street, an alley, and portions of two other streets.

The June 19 hearing will consider a new sidewalk on both sides of Terry from Holland to the new Terry school. On June 26 commissioners will discuss: Closing of Watford from Hereford to Melton on the request of the Catholic Archdiocese of Detroit which proposes to erect in the future a new school, convent, church and playground on the 7-acre area bounded by Melton, Dunstable, Hereford and Bradford; An alley running north of Southlawn between Pierce and Henrietta;

AND THE PORTIONS of Dixie and Yankee between Villa and the Porritt property to the south. A petition for the closing of Oakdale south from Ridgedale has been sent back to the city plan commission.

The plan commission had recommended its closing but it has been discovered that two property ownerships would be deprived of access if such action were taken now.

June Weekend Events Scheduled by AYH

The American Youth Hostels North Woodward group opened its summer season weekend with a hike to the Hald mountain recreation area.

On June 16, 17 and 18 they will make a three-day trip to Walker house on the Huron river, where all outdoor sports will be available to AYH members. Reservations for this should be made at once through Jack Miller, 531 La-Prairie, Ferndale.

On Sunday, June 25, the group plans a bike trip to Franklin Hills, leaving 10 Mile and Woodward at 10 o'clock. Norman Linquist, 845 St. Louis, Ferndale, has charge of these reservations.

THESE ACTIVITIES are open to all young people interested in sports and wishing to participate in group activities.

The district boundaries are those north of 9 Mile road between Dequindre and Telegraph roads.

Cherry Blossom Time in Michigan

Miss Bendler is the daughter of Mr. and Mrs. Arthur F. Bendler, 270 Westchester Way.

Plan Further Talks on Service Fee for Local Contractors

City Manager Donald C. Egbert will meet with local builders in an attempt to determine a satisfactory arrangement for maintenance of streets during building projects.

City commissioners, considering a proposed \$25 service fee and \$100 cash bond for each building permit issued, heard John D. Harrison on behalf of several builders argue against the proposed ordinance.

Harrison claimed it would work a hardship on builders, and that there possibly was another way to meet the problem.

Commissioner Milton F. Maller, in connection with street maintenance, asked Egbert to present to the commission within the next six months a draft of an ordinance setting up road restrictions for city streets.
