Keglers Korner

By Jim Milford
 After waiting 25 weeks, George York's Cheer Shop team finally ousted Regal Furniture to take undisputed first place in the Birmingham junior league.
 The Cheer Shop team, whose average is 18, currently boasts an 860 average and 2849 high three to lead the league which bowls Wednesday nights at 9:00 o'clock in the local bowling establishment.

After participating in the state championship tournament Saturday night, this regester and John Nickell were asked to appear at the Royal Oak bowling alley where the metropolitan junior league was rolling Sunday afternoon. Ron Israel, who had to click on his tournament entry, went along.
 They were introduced by Cecil Ward, director of the league. Before the day was over, they were asked to bowl regularly on the Detroit-Gibbs square.

This is a fine break for the fellows and we would like to express our appreciation to Cecil Ward for not only helping them, but doing so much to further bowling.
 A few scores came to our attention. John Nickell exploded 702 for three games in a pot game at Grand Central recreation last Saturday. Needless to say, his opponents, Jim Hogan and Jim Milford, were "cleaned out."
 Bee McKay unorked 244 in 575 to take solo honors in the Friday night Ladies' Allie league.

Clint Bobey's 221 and Del Tate's 594 stole the spotlight in the Side-Line Quarterback's League. Not to be outdone, Joe Bowen's "Putters" shot a new season single game for a count of 829 and a weekly high of 2553.

The Birmingham National Bank team made a very good showing in the women's ranking fourth in the team event with 2880.
 On the individual side, Mildred Detweiler and Pie Milford combined to hit 1244 for second place in the doubles. Mrs. Milford also shot 1846 for second in all events, her 279 game being high for the tournament.

John Nickell, Bloomfield Hills high school, claimed the class A lead in the state championship bowling tournament at Grand Central Recreation in Detroit last weekend with a six-game total of 1164.

Captain of Wrestlers Wins Sports Medal

The 27 points accumulated during the wrestling season on the basis of five points for a win, three for a decision and two for a tie, earned Mike Patten, captain of the Cranbrook school wrestling team a medal presented by Coach Bob Chubb.
 A trophy was also presented which will remain in permanent possession of the school.

Maple Swimmers Will Receive Awards This Evening at Banquet

A feature of the program at the swim banquet tonight honoring the Eastern Michigan league champions will be presentation of letters to 18 varsity swimmers and the senior manager.
 One honorary letter will be awarded.
 Boys receiving letters are Ward Abbott, Dwight Allen, Bill Anderson, Dick Dean, Jerry Fletcher, Al Fremody, Tom Good, Don Goldsmith, Captain Dick Helgeson.
 Marc Joslyn, Benson Lake, Tom Lascombe, Larry Miller, Jim Newman, Gary Osborne, Neil Stoll, Gene Walrath, Frank Weaver, Bob Webb and Manager Gilbert Hall.
 Willard Walrath will receive an honorary letter.

Baldwin Y-Teeners Hold Scavenger Hunt

The Y-Teen club of Baldwin held an open meeting Friday at the home of Sandra Puls, 185 Linden.
 During the meeting the schedule of coming programs was announced and the advisor, Miss Marilyn Muller, explained the Y-Teen purpose. After the meeting the group divided into teams for a scavenger hunt.
 On returning the members of the winning team received prizes. Soft drinks and cookies were served.

Maple Nine Schedule Provides More Games to Be Played Here

By Jerry McMillan
 Coach Vincent Secord announces that the baseball team will play a new schedule this year with the season opening April 17. Followers of the team will be glad to know that because of the new schedule all but one game will be played at home. The schedule is set up so that each league team will be played only once instead of twice as has been done in the past.
 For the first time since 1944, the Maple Nine will be dressed in brand new uniforms. They will be bluish gray trimmed in maroon and have caps and stockings of the same color, the latter with North-western stripes.

Interhouse Athletic Award is Announced

Page Hall won the Cranbrook school interhouse athletic competition which annually precedes spring vacation. Bowing, basketball, volleyball and table tennis were played on March 7-9 and 10, to determine house standings. Ten wins with three losses was the Page record and in the final event, a basketball game between Page and Stevens on Friday, the final score was 16-11. Dick Harbeck, John Hatch, David Millard, John Hunting, John Knoblock and John Gelwell played on the victorious Page team. Marquis Hall won nine contests and lost four. Stevens won eight and lost five. Teyers and Fontaine trailed.
 Senior prefects, Frank Rigas, Fred Steinman and John Manley were in charge of arrangements. Members of the Cranbrook school faculty were the officials.

Seniors Visit Style Show at Cranbrook

Baldwin senior girls joined Kingswood and Vaughan seniors at a tea and fashion show sponsored by the AAUW at Cranbrook recently.
 The style show was presented by a Detroit department store and showed new fashions in separates, sleeveless blouses and bright spring suits.
 The tea was served at Christ Church parlors.
 The show was first planned for the Birmingham Community House but was moved to the Cranbrook gym because of the coal shortage.

Baldwin GAA Staff Attends Conference

Executive officers of the Baldwin GAA went to Mt. Clemens last week to discuss the functioning of their organization with other schools in Eastern Michigan League.
 The schools include Mt. Clemens, East Detroit, Ferndale, Port Huron, Hazel Park and Birmingham.

The girls also discussed the general organization of the association, the type of sports engaged in, finances and the award system. Girls attending from Birmingham were Jane Mallory, president; Georgia Rowin, vice-president; Nancy Squires, publicity; Judy Henderson, treasurer; Barbara Hanauum, acting secretary; and Mary Lou Gregory, acting intermarriage manager. Mrs. Margaret Henderson is advisor.

An acre of fully stocked hardwood timber should grow from one-half of an acre of wood annually. The average acre, however, through mismanagement only about one-tenth of an acre per year.

Baldwin Trio Named to Represent Brazil at Hillsdale College

Three students from the international relations class at Baldwin have been selected to represent Brazil in a mock United Nations assembly at Hillsdale college soon.
 Attending as delegates will be Virginia Dare, Chuck Davies and Bob Ervin. Mrs. Anna Luehr, instructor, will accompany them.

Nash growth since the war has been more than 4 times as great as that of the Automotive Industry as a whole...

WHY NASH?

Why Nash? Because Nash was first to mass-produce the unitized, welded body-and-frame car that is more rigid, durable, safer and free of rattles.

Why Nash? Because today's Nash Airflyte cars by scientific wind-tunnel tests have been proved to have 20% less air drag than the average of 10 other cars tested—with less wind-noise, less fuel cost.

Why Nash? Because Nash was first to attack the problem of rust by Bondorizing and by use of more durable baked enamels. Because today all sheet metal parts of a Nash Airflyte are many times more resistant to wear and fading.

Why Nash? Because today's Nash Airflytes offer more combined passenger and luggage space, dollar for dollar, than any other car.

Why Nash? Because Nash has been years ahead in the development of the car interior. First to have the curved, one-piece windshield on all models, Uniscoop, and today the only car offering an Airline Reclining Seat and Twin Belt.

Why Nash? Because Nash has consistently led in the power parade—builder of valve-in-head engines for third of a century—a leader in high-compression. Because today Nash alone builds a valve-in-head engine of 7.3 to 1 ratio that utilizes regular gasoline.

Why Nash? Because Nash was first with automatically-controlled, pressurized heating and ventilation, probably the greatest single health, comfort and safety feature of the modern automobile.

Why Nash? Because today's Nash Weather Eye Conditioned Air System is still first in efficiency and in safety—with fresh, unfiltered air drawn from outside the engine.

Why Nash? Because Nash has been foremost in advocating greater gasoline mileage.

Because Nash is a big full-size car that delivers over 23 miles a gallon at highway speed.
