Women's Club Elects Officers; Three Departments to Meet March 21

At a recent meeting of the Birmingham Women's Club, members elected new officers. Heading the slate is Mrs. H. D. Harris, president; Mrs. Matthew Cannon, first vice-president; Mrs. Carl Binko, second vice-president; Mrs. Carl Triplett, recording secretary; Mrs. R. J. Detmers, corresponding secretary.

Mrs. Arthur Peck is treasurer; Mrs. E. G. Potter, director and Mrs. Stuart Allen, auditor. Mrs. Harris was named president of the state convention while Mrs. James Cobb and Mrs. P. G. Burnett are delegates to the Detroit Federation.

The three departments of the club will meet on Tuesday, March 21 with the American Home department having a salad luncheon at the home of Mrs. Charles L. Woodall on Fairway drive. Mrs. Walter Moreland will assist the hostess and Mrs. Harry Allen is chairman of the day. The program is entitled "Interior Decorating" and will be presented by J. M. Letch who is in charge of interior decorating and drapery in the H. Harrison Company stores. He will speak of the texture of fabrics, color schemes, draperies and silhouettes.

The Literature department will meet at the home of Mrs. Seymour Adams on Adams road for a one o'clock luncheon with Mrs. Melvin J. Deer as chairman being assisted by Mrs. Earle Potter, Mrs. W. H. Uptegraff and Mrs. C. J. Burkmann. The program will be a dramatization of Mrs. Z. M. Bricker.

Mrs. Amos Gregory, chairman of the department, held a benefit dinner's luncheon in her home on March 5 to further assist the project which was undertaken by the club this year of helping the Oakland County Juvenile Home.

Announce Adoption
 Mr. and Mrs. A. Edgar Ebersole of Henrietta street announce the birth of a son, Robert Stigben Ebersole.

Michigan Alumnae Will Sponsor a Union Opera Show

The University of Michigan Union Opera, a musical comedy with an all-male cast, will come to Detroit for two performances at the Music Hall on Tuesday and Wednesday evenings, April 11 and 12. Birmingham alumnae will sell tickets for the 12th performance and proceeds from the local sale will go to the Birmingham alumnae scholarship fund.

The setting of "Lace It Up" this year's show, is a lingerie factory and labor-management relations there are the basis for the comedy highlights. Musical numbers and dancing will be featured. The Union Opera is a production of the local alumnae board.

Anyone interested in attending may contact any of the above women.

Birthdays, anniversaries, guests, births, parties are all here—call the society editor about them.

MICHIGAN MILK PRODUCERS ASSN.
Always Looking To The Future
 Sound planning which aims to provide increased benefits for all whom it serves—members and the public alike—is the life blood of a viable farm cooperative.
 By strict adherence to a policy of always serving the greatest number to the best purpose, the Michigan Milk Producers Association has thrived and grown steadily throughout its entire 33 years.
 Since the close of World War II, members of the M.M.P.A. supplying the Detroit market have ploughed back over \$685,000 in expansion and improvement of their plant and transportation facilities.
 At this time about a half million dollars are being invested in the modernization of the association-owned receiving station and manufacturing plant at Inley City. This will provide added "stand-by" facilities to assure members against loss of revenue during seasons of highest milk production.
 To constantly provide the great Detroit market with high quality milk from day to day and plan for the future to maintain an ample supply at all times, under all conditions are primary objectives of this farmer owned and controlled cooperative.

Maybe This is the Year!

A great many people have been saying that—if their luck keeps pace with their dreams—they're going to own a Cadillac one of these years.
 If you are among them—and we hope you are—this may be the year. Listen . . .
 . . . Cadillac has built a great new car, for 1950; that is just as practical to own as almost any car you would consider buying.
 It is the new "Sixty-One"—and it is priced lower than the highest-priced models of a number of other cars you would never think of as in the same class with Cadillac.
 Furthermore, this new Cadillac will give gasoline mileage which actually approaches that of the lowest-priced popular cars. And

when it comes to long life and upkeep—well, a Cadillac has such endurance that its full life span has never been accurately measured.
 Yes—from the standpoint of practicality you've lost about your last logical reason for waiting any longer to buy a Cadillac.
 And, oh, the things that say you ought to buy one—right here and now!
 Take beauty, for instance. America's streets and highways have never carried a more handsome and distinctive car than the 1950 Cadillac. Wherever it goes, it is an irresistible magnet for admiring eyes.
 And then there's performance. Cadillac's miraculous new engine takes you through

space almost as if the car had automatic propulsion. You ride as if every road were a boulevard. Steering and braking are amazingly easy—so easy they further can be to your thought.
 To sum it all up—the farther you can see down the highway, the happier you are—for distance is positively enchanting when you sit at the wheel of a 1950 Cadillac.
 And how proud you'd be, sitting there with your hand on the slender, obedient steering wheel . . . sitting there as companion to the world's most distinguished people—in ungalvanized steel and comfort.
 Yes—maybe this is the year. Better come in today—and we'd be delighted to see you.
