Meet America's Top Truck Values!

NEW CHEVROLET P.O.T. ADVANCE-DESIGN TRUCKS

THE POPULARITY LEADERS

Ahead with more Truck Users by 2 to 1!

Performance Leaders

Most Powerful Chevrolet Trucks Ever Built! New Chevrolet trucks put business in "high gear" with stepped-up power and performance. Improved Thrift-Master Valve-in-Head engine features greater horsepower and floor performance with new "Power-Jet" carburetor. Entirely new heavy-duty power plant—the Load-Master 105-h.p. Valve-in-Head engine—provides greater pulling power... cuts down total trip time in heavy hauling.

Payload Leaders

Cost Less to Operate Per Ton Per Mile! Chevrolet P-L trucks are built to withstand the hard-pounding of the roughest roads and thus minimize repair bills... cut losses due to "lay up." They reduce total trip time with high pulling power over a wide range of usable road speeds... let you deliver the goods at low cost per ton per mile!

No doubt about America's choice when it comes to trucks. For the last twelve-month period, Chevrolet trucks outsold the next two makes combined! Yes, truck users themselves provide the proof of Chevrolet truck superiority by their own endorsement. And that's evidence of a clear-cut sort that Chevrolet trucks are your best possible purchase. Compare them, feature for feature... value for value. Compare—and you'll know why Chevrolet trucks are the world's fastest selling make! Come in and see them today.

Price Leaders

First For All-Around Savings! From low selling price to high resale value, you're money ahead with Chevrolet trucks. Chevrolet's rock-bottom initial cost—plus low cost of operation, maintenance and high trade-in value, all add up to the lowest price for you.
