

### Baldwin Students to Meet Experts on Career Day

The annual career day of the Baldwin high school student body will be observed next Tuesday in the auditorium and classrooms.

The student committee has been working with Mrs. Carol Darling and Larned Goodrich of the counseling and guidance department and the local Y.M.C.A. in arranging details of the event.

The day will open with an assembly program at which Dr. Dwight B. Ireland will speak, setting up the order of the day.

Donald Castle, executive director of the Hudson-Weber foundation of the J. L. Hudson company, will speak on "Personal Qualifications to Stay on the Job".

Students then will be given the opportunity to discuss one of 45 vocations with a person trained in that particular field.

### Walnut Lake Flutist with Symphony Group

Lawrence Teal of Walnut Lake is a member of the Little Symphony of Detroit and will play the flute when the orchestra appears at Cranbrook school March 23.

The Little Symphony of Detroit consists of a full nucleus of a symphony and is not a group playing chamber music. It is the only known musical group of its size in this country which does not have a conductor.

At the Cranbrook concert, a full symphony program will be presented and a major symphony and a Rossini overture are among the works to be performed.

# "I Find It Pays to Do All My Marketing at A&P Because

# A&P HAS THE VALUES"

When one of our customers says . . . as scores of them do . . . that it pays to market regularly at A&P because A&P has the values, you can be sure she's not talking about a few scattered values.

No indeed! She's talking about the many week-long, store-wide values for which A&P is famous. For only such values add up to the substantial savings that subtract dollars from food bills.

They make it really worthwhile to do all your marketing at A&P. Come and see! We're sure you'll agree.
