

Quality Paramount

Our first years in getting a foothold in the printing business (around 1930) were tough starting.

Back then, when we first started to sell among Detroit business, we had so little to offer and so much to overcome.

We were unknown; we were out-of-touch; we had inadequate facilities; we had limited experience.

So we stressed quality.

Today this philosophy is deeply entrenched at The Eccentric. We think quality, we plan and design quality, and we produce quality. In these days of confused thinking, we find the habit of quality, being automatic with us, does not create any problem of waiving standards. Both our employees' attitude and our final product can be relied upon.

Yes, when you buy from The Eccentric, you can consistently expect paramount quality in printing.

Late Inning Play Features Crane Diamond Wins

A Hamtramck rally in the last inning fell short, Tuesday May 16, as Rufe Beardley's fly-bitter gave Cranbrook a 2-1 win over the Cosmos at Memorial Park. It was the big right-hander's second win over Hamtramck this season. With Louis LaHood on first and one down in the seventh, Dave Anderson lined a home run to right center, but LaHood missed third base on his way around and was called out. After Jim Keys walked, Al Levy made a great running catch of Chet Piontkowick's foul fly to end the game.

BOTH CRANBROOK runs came in the sixth inning, after several scoring opportunities had been wasted in earlier innings. Jack Knoblock walked and Johnny Hatch was hit, to lead-off. After Dan Newey went out, Wayne Lyon forced Knoblock at third. Levy then beat out an infield hit and Hatch scored from second when the ball was juggled at first base. Lyon followed him across with the second run as Cosmo shortstop, Joe Graham, fumbled Beardley's hard grounder.

A LATE INNING barrage of base hits gave the Crane nine 6-3 victory over Waterford high school, May 17. Relief specialist, Tom Galantowicz, who took over for John Manley in the sixth, got credit for the win, Cranbrook's 12th this season.

After Waterford took a 2-0 lead in the first inning on Lynn Weyerford's home run, Manley in the sixth, Cranbrook looked futile at the time until the fifth. Then the Cranes pushed over three quick runs on singles by Hatch, Levy and Manley, Long's long triple, and a fielder's choice. After a single and double put two on with no one out in the Waterford sixth, Galantowicz came in to relieve Manley. The tying run scored on a double steal, but Galantowicz pitched hitless ball the rest of the way. Cranbrook added its winning runs in the last of the sixth, when Knoblock doubled, Hatch got on through an error and Levy singled again.

Student Rates High

Louis Deming, Cranbrook school senior from Caro, Mich., is the winner of the medal of honor for outstanding work in the national French contest sponsored by the Association of Teachers of French. Deming also won third place in the state examinations for third year French students.

From where I sit ... by Joe Marsh

Why "Moose" Changed His Mind

Last week parents were calling Moose Jackson on the phone—and kids were hooting at him in the streets. All because Moose fenced in his field near the depot, where the kids like to play ball.

Moose got sore the way folks acted—refused to budge. Then Doc Sherman, who likes to play center-field himself sometimes, decided to "use a little psychology."

Over a friendly glass of beer at Andy's Garden Tavern, Doc says, "Sorry this came up, Moose. We were thinking of asking you to umpire—what with your professional

experience and all." (Moose used to play a little semi-pro ball.)

That did it! Next day Moose put up a stile over his fence. In return, the kids promised not to cause any damage. From where I sit, when you try to understand the other fellow's point of view—like his personal preference for beer or coffee—and then take into consideration the will of the majority, why, things seem to go better all around.

Cranbrook Stages Big Amateur Show

Cranbrook school glee club president, Bob Kerns, was awarded first prize at the amateur night competition Saturday night. The master of ceremonies, Al Simpson, received honorable mention. The Kalamazoo glee club led by ex-Cranbrook glee club president, Bill Ives, presented a half hour of choral music. Charles Daugherty, a member of the group, played piano accompaniment and "Twelfth Street Rag" accompanied by Robert Bates of the Cranbrook music department. The girls' trio was featured in two numbers.

THE JUNIOR class

starring "North Antarctic" starring "Mary Martin", concerned a future meeting of Cranbrook alumni in the frozen north. John Hunting sang several numbers and Fred Wagner, piano; Tom Galantowicz, saxophone and Dave Higgins, electric guitar offered "I'm a Fool" and "Bewitched". Galantowicz also gave a clarinet solo. Bob Barlett with his oriental assistant, "Fu Ling Lu", presented a magic show with an assist by Jerry Croze from the audience.

Bob Kerns gave two selections and Wayne Lyon, Fritz Dow, Tom Galantowicz and Russ Dawson offered a juggling act. Dave Taylor entertained with piano selections ranging from "The Yodeler in C Sharp Minor" to "Twelfth Street Rag".

A QUARTETTE composed of Dick Harbeck, John Manley, John Hunting and Bob Kerns, sang "Swing Low Sweet Charlie" and selections from "The Yeoman of the Guard".

The final number was presented by a group of faculty members dancing the Charleston. Pearl Peterson accompanied Jean Moore, Teddy Davis, Carleton McLain and Emory Niles in an original version of "Dearie". Other dancers were Mr. and Mrs. Arthur Palmer, Mr. and Mrs. Floyd Bunk, Mrs. Hubert Davis, Elizabeth Kachinka, Tempin Licklider and John Koderick. Judges were W. Brooke Stabler, Hubert V. Davis and Bruce Coulter of the Cranbrook School faculty.

Academy of Art Plans Graduation of Largest Class

There will be 39 students of Cranbrook academy of art graduate tomorrow, the largest class in the history of the academy. The degree of Master of Arts in the will be received by nine students, 17 will be given Master of Fine Arts and 13 will receive Bachelor of Fine Arts.

Convocation will take place in the library and Prof. Joan Paul Slusser, director of the University of Michigan Museum of Art will speak.

AWARDS FOR work done during the term will go to Daphne Carnochan and Vera Helle for weaving; Niels Diffrient and James Conner, design; Angelo Caravaglia, sculpture; David Berger and Julia Pearl, painting; Harold Milbrath and Gordon Lawson, design and Stephen Folbert and J. T. Abernathy, ceramics.

The annual exhibition of student work is open at the request of the Cranbrook academy of art from 2 to 5 daily, except Mondays and will continue through August 27.

Red Skelton Movie Rates PTA Approval

The PTA approved movie, "The Yellow Cab Man" will be shown this Saturday afternoon at the Birmingham theatre. The Red Skelton picture will be accompanied by several cartoons to complete the bill. "The Black Hand", starring Gene Kelly and J. Carroll Naish, will be shown at the regular times for the balance of the week. This picture has an adult-youth people rating.

This rating is carried by both weekend films at the Bloomfield theatre. "The Bachelor and the Bomb" stars June Allyson and Dick Powell. The companion picture is "Paid in Full".

Want ads cannot be accepted after 5 p.m. each Tuesday.

Softball Season Opens Tonight With Two Games

Two games this evening will mark the opening of the jointly sponsored Birmingham Y.M.C.A.-C.Y. recreation softball league. Michigan Bell will meet Birmingham Post Office employees at St. James field and Craig's Sporting Goods store takes on Birmingham men at Howarth field. Both games start at 6:30.

Games will be played each Tuesday and Thursday with the exception of May 30 and July 4.

OTHER SQUADS which have entered the league are Greyhound Suburban lines and a team made up of Dearborn motor employees. Players are still needed to fill team roster and can receive information about the league at the Y office at 144 West Maple.

A complete schedule of games and fields will be available June 1.

Crane Track, Tennis Teams Place Second

The Cranbrook school tennis and track squads took second place in regional contests last week.

In the tennis tournament at Fordson high school at Dearborn, Bob Blanchard won the Amalgam regional championship and of the eleven teams competing at the regional track meet at Fordville Cranbrook placed second with 38 1/2 points.

The junior varsity baseball team dropped two games during the past week, losing to Ferrisdale 20-8 and Hazel Park Tuesday 7-1. On Thursday the freshman nine beat Hamtramck 10-3. The lower school team lost to St. Hugo's Friday 2-0.

Recreation is Michigan's second industry, exceeded only by the automobile industry, with an annual income of approximately \$400,000,000.

He Doesn't Care Who Passes Him!

ONE of the rarest satisfactions a 1950 Cadillac brings to its owner is serenity.

Watch him briefly in the stream of traffic—and, if he is a normal Cadillac driver, you will quickly sense what we mean. He drives as befits his mood and his requirements, and is quite content to let others do the same.

Unless he happens to be in a hurry, it is all right with him if another driver wants the honors when the light turns green. He knows that the surplus power in that eager, dynamic engine was put there for his safety and driving ease—and not for dramatic display on the get-away.

And so on the open road. If you wish to

pass him—just let him know. He understands that his last two inches of throttle were not put there for the ungracious purpose of dominating the highway. They are there for an emergency—and for that lovely, cruising ride which only a great reserve of power can provide.

So roll along, if you're in a hurry—and the top of the mornin' to you!

It's a wonderful thing, this feeling of calm confidence in your motor car. It lessens the strain, and increases the pleasure, of every mile you drive.

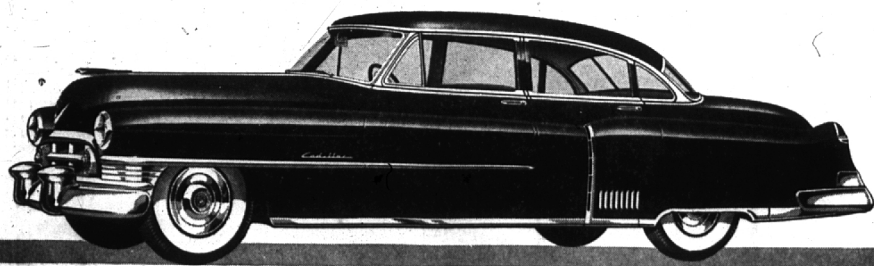

And we wonder if you realize how easily and practically it can be yours. Listen...

...the lower-priced models in the Cadillac line cost less to buy than the highest-priced models of numerous other cars!

... Cadillac's great high-compression engine is so efficient that a single tankful of gasoline will usually suffice for a normal full day's drive!

... and as to endurance, the Cadillac record stands by itself. The lifespan of a Cadillac car has never been fully measured!

Surely, these are such practical facts that they should point your way to the joys of a Cadillac. And the car itself can quickly reveal how great these joys can be. Why not come in today?
