The Shortest Month in the Year —

Before Thanksgiving the cord wood is piled high for the fireplace which will add cheer and warmth to the cold days ahead. The storm windows are on. No longer is the straw piled about the base of the barn—but alcohol is placed in the radiator of the family car. And a great number of other things are done, for the month from Thanksgiving to Christmas is the shortest month of the year.

So much to be done, and not enough time. Before any of us know it, we will be panicky about Christmas. So rather than work ourselves into the usual lather this year, let's take it a bit easier and do our planning and our shopping well ahead. Let's take it in stride, and lengthen out that shortest month.

The Village Store can offer you some unusual gift items now. Ladies' and gentlemen's suede jackets, one of the finest gifts ever, can still be delivered in any style or color. The custom suede jacket or coat is a supreme gift.

Now we have a large assortment of that fabulous Agnew jewelry. Mr. Agnew is that unusual gentleman who gained permission to use official British molds for his regimental and heraldic jewelry. Nothing like it anywhere, although imitations are beginning to appear. Agnew is sold only at the Village Store in Birmingham, and prices are reasonable.

With woollens getting scarcer and high in price, someone in your family will be wanting a fine outer jacket for winter sports wear. See them while the supply is full and sizes are available.

Ladies' storm coats, with genuine water-treated mouton collars and alpaca lining, in poplin, tweed or gabardine, are more popular than ever. Beautifully tailored, these handsome coats are priced from \$32.95 to \$65.

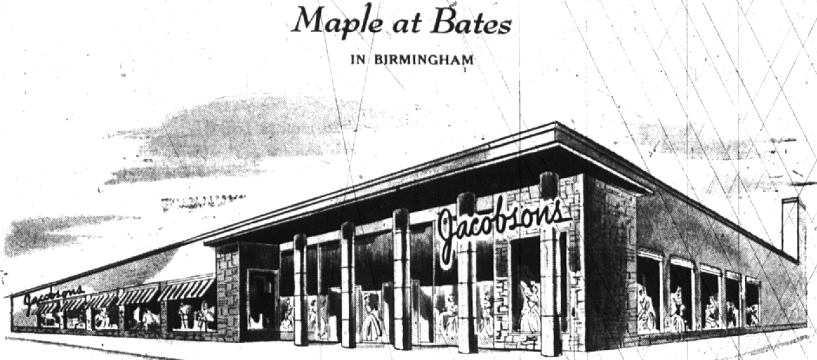

A gorgeous assortment of men's cotton flannel shirts, in checks and tartans, give the gift-buyer a real opportunity to take care of the male members of the family at a reasonable figure. These full cut shirts are sanforized and color fast, and are a very fine value at \$9.95.

We at the Village Store will try to help you make that shortest month longer if you'll start doing your Christmas shopping earlier.
