Bird in hand that's a Beauty

Now it can be told. This clean-lined, smart-stepping 1950 version is the most popular Buick

Ever since early in the present year, a value-wise public has been taking them away from us as fast as-or faster than-the great Buick factories could roll them out. Within recent weeks, production and sales have set an all-time record.

Only Buick has Dynaflow and with it goes:

And with it goes:

NOMER-COMPRESSION firshell, volve-in-head power in
three senjate. (New 7-23 angles in SOTE models.) * NEWPATERN STRUME, with MUNTI-OUARD footenal, topthrough funders, "double backward with forward and bart

Count off the distinguished and time-tried features of this winner and you'll know why.

It has a Very Exclusive Motor -Buick's own high-compression Fireball-which gets its driving power from a combustion chamber found in no other car in the world.

It has the bump-smothering softness of coil springs on all four wheels and a torque-tube drivea comfort combination that no other car provides.

ushered in a whole new concept of effortless travel It has a brilliant styling which sets it apart from every other car on the

has Dynaflow Drive which

And it has prices which say "buy me" to any motorist who's looking for maximum money's worth.

Isn't it sensible, while these great cars are still coming off the line, to check with your Buick dealer about getting one to call your own?
