Mozart "Requiem" To Be Sung Sunday

The "Requiem" by Wolfgang Amadeus Mozart will be given by the choir of Christ Church Granbrook on Sunday, Nov. 5, at 4:30 p.m.

In addition to the choir of 40 voices there will be an instrumental ensemble and guest organist.

This great masterpiece of sacred music literature was composed in part immediately prior to Mozart's death in 1791.

Mozart's "Requiem" has great interest because of its remarkable history.

It was composed in consequence of a commission given to Mozart by a Viennese count who wished to have a Requiem sung at the count's funeral, then lately deceased. The commission was given anonymously and secretly as the count wished to be thought a great composer and to pass off the composition as his own.

Mozart worked hard at the Requiem during the last few weeks of his life, but left it unfinished at his death. To fulfill the commission, his widow engaged Franz Süssmayr, one of his pupils, to finish the work.

Soloists for this performance will be the Janice Harris and Charles McCray, sopranos; Marion Jewell, Alto; Carl Christensen, tenor; and Robert Slusser, bass.

The instrumentalists will be Axel Magnusson and Francis Peterson, first violins; and Charles Hölmeyer, second violinist; Mrs. Raymond Bacheler, violist and Mrs. Martin Wager, cellist; and Robert Slusser will be guest organist and accompanist. The work will be under the direction of Dr. Maurice Garabrant.

Stories for the church page must be submitted by 3:30 p.m. Thursday of the week before publication.

Michigan Voter: PROTECT YOURSELF AND FAMILY!

PROTECT YOURSELF Against Imitation Butter
Your right to know—for sure—that there's BUTTER on the table—is threatened by a move to tamper with Michigan's long-standing imitation-BUTTER law. The present law is GOOD law. It protects your family—and the family table. Especially, it also protects you when you "eat out."

Now, with a referendum vote on this subject on the ballot November 7, it's up to you. It's your job to protect yourself against imitation-BUTTER—to make sure you get the real thing. Vote "NO" on Proposal 4, November 7th.

PROTECT YOURSELF Against High Milk Prices
In case Michigan's present law—prohibiting substitutes colored yellow in imitation of BUTTER—is rendered ineffective in the November general election . . . thousands of Dairy Farms will be driven out of business. Milk will become scarcer . . . higher in price . . . as it has in other states which now allow imitation-BUTTER to be sold colored yellow. It is no accident that milk prices in cities in those states are 1/2 cent a quart higher than milk prices in states (including Michigan) which maintain a protective law against selling imitation-BUTTER colored yellow. Keep Michigan milk plentiful—reasonable in price. Vote "NO" on Proposal 4, November 7th.

PROTECT YOUR OWN and Michigan's Prosperity
BARNING: The first year Canada allowed substitutes to be colored yellow in imitation of BUTTER cost Dairy Farmers there 50 MILLION DOLLARS. That can happen in Michigan . . . where 600,000 people depend on Dairy for their livelihood . . . with an investment TRIFLE THAT OF THE ENTIRE WORLD OPERATIONS OF THE FORD MOTOR COMPANY! Reduce Michigan's income by many millions of dollars and you depress the market for all kinds of Michigan goods . . . besides irreparably damaging Michigan's soil and agriculture.

For your own sake . . . for your family's sake . . . for Michigan's sake . . . VOTE "NO"—on Proposal 4—general election, November 7th!

*These facts are published by the Dairy Action League, 415 Hollister Building, Lansing, Mich., working with numerous Dairy Farmers and their groups in Michigan in helping Michigan Dairy Farmers and effective milk-butter legislation. It is approved by the 100,000 Michigan People dependent on dairying.
