HIS MERCHANDISE MOVES NICELY—Business went on as usual in Howard Benson's market in Lancaster, N. Y., as workmen moved the entire building to make way for an underpass. Benson can be seen on the doorstep of his store, handing down parcels to a faithful woman shopper.

SHOPPER'S HELPER—Mrs. Bette Noneman, a Los Angeles housewife, demonstrates a newly-developed adding machine which is mounted on the handle of a market basket. By checking off the price of each item as it is selected, the shopper can determine just how much money she'll have to pay at the cashier's counter, where the items are again added.
