At the November meeting of Lathrup PTA Miss McLain was moderator at the round table discussion between parents and teachers, in which the services furnished Southfield township children were explained.

Mrs. John Pederson, delegate to the Southfield area council told about a new pre-school clinic set-up and an adult education program, now underway.

A report on the dental health conference was submitted by Mrs. William Pierce and read by Mrs. Vincent Zatsell. It stated in part "that a substantial decrease in tooth decay would result if the sugar and carbohydrate intake were reduced. Direct application of sodium fluoride to the teeth by a dentist at the age of 3, 5, 7, 10 and 13 will cut tooth decay about 40 percent."
