What's Being Planned By BIRMINGHAM CHURCHES

Lutheran Redeemer First Presbyterian

The voters' assembly will meet Monday evening, Dec. 4 at 8 o'clock. Members who are to serve on the church council for the coming year will be elected at this time.

Five members of the Women's association will be honored with life membership when the annual Christmas tea is held Dec. 6.

The meeting will be held at 2 o'clock in the church parlors and will feature a program of special Christmas music.

Miss Helen McClure, Presbyterian Missionary who has been serving in Thailand, will tell of her experiences in the foreign field.

Under the direction of the Sunday school teaching staff, a Christmas pageant is being planned. The members of the various classes are holding practice sessions each Sunday afternoon in preparation for the event.

Handel's "Messiah" Will be Presented At Christ Church

The choir of Christ Church Cranbrook and the Cranbrook festival choir consisting of about 80 voices will give the annual presentation of Handel's "Messiah" on this Sunday afternoon, Dec. 3, at 4:30 p.m. at Christ Church Cranbrook.

This great masterpiece is considered to be one of the greatest oratorios ever written. It is more widely known in all nations than any other oratorio. The great Tone-Cathedral of Handel's "Messiah", the story of Christmas magnificently told by music, is an edifice of which all the nations of the world may well be proud and for which humanity must be forever grateful.

Soloists for this occasion will be Charlotte McCray, soprano; Marion Jowell, alto; Carl Christensen, tenor; Syver Thingstad, bass.

The guest organist for this occasion will be Goda Vigore, a well known and accomplished organist and accompanist. This musical presentation will be under the direction of conductor Dr. Maurice Galtbrant.

On Sunday, Dec. 10, the choir of Christ Church Cranbrook will offer a special service of Christmas carols, ancient and modern, at 4:30 p.m.

Stories for the church pageant must be submitted by 3:30 p.m. Thursday of the week before publication.

200,000 freshmen can't be wrong!

We believe that something has happened in 1950 that you should take to heart.

Ever since this year's Buicks were introduced, their big bulge in sales has come from people who traded other makes of cars for this bounteous beauty.

The total is more than 200,000.

That's 200,000 "freshmen" added to the roll call of Buick owners—200,000 people who must have sized up the current version of the cars they owned, and decided that Buick offered more thrill, more comfort, more satisfaction for the money.

Beyond that, of course, there were other hundreds of thousands who already owned a Buick and bought a new one this year. But we're speaking here of new owners only.

We can name many reasons for this landslide—including Fireball power—an incomparable ride—and Dynaflow Drive.*

We can remind you that the Buick SPECIAL, SUPER and ROADMASTER just about blanket the range of a car-owner's aspirations—matching prices with many sixes in the lower brackets—matching distinction with the finest in the fine-car field.

We might add that Buick prices are doubly attractive—since their list prices include many features customarily on the "extra" list.

But why try to spell out all the reasons Buick wins in a showdown comparison? The proof of the pudding is in this great car itself. Better come in—look it over—and find out what an unbeatable buy it is.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.
