Vaughan Defeated By Grosse Ile

By Bob Levin

Bloomfield Hills High school football squad, playing the first night grid game in the history of the school, lost to Grosse Ile 51-0 Friday evening at Grosse Ile.

Although Grosse Ile ran up the biggest score of the season against the Hills squad, strangely enough the Barons played their best game. Bloomfield played inspired ball in the first quarter. After the Barons made a successful goal line stand on the one foot line, the Hills scored later in the period.

WITH THE start of the second stanza, the breaks started to go against the Barons. Halfback Johnny MacLennan was pulled out with an old injury and George Bay, right end received an injury.

Baldwin Students Review History For Annual Show

By Mary Richards

Delving into the past to review Baldwin history, the journalism class is now at work providing material for the coming variety show. Since plans call for moving into the new high school in the fall of 1951 the show is to be a farewell to Baldwin.

Mrs. Thomas Navin, a native of Birmingham and a graduate of the local schools, was interviewed by the class Tuesday, and Mr. and Mrs. Charles Shain were interviewed yesterday.

OTHERS WHO will be consulted include Clarence Villet, former superintendent; Melvin C. Hart, principal from 1921 to 1938; and Mrs. Ethel Waterman, a teacher here for nearly 30 years.

Old yearbooks and newspapers are being consulted by journalism students, searching for possible incidents on which acts in the long-time residents of Birmingham, former teachers, and administrators are being interviewed for this same purpose.

Christopher Columbus

... sold a seemingly impossible idea to a queen, braved 4000 miles of unknown seas, weathered storms and hardships, overcame the doubts of his crew, and finally discovered America. All we have to do is look down at the ground we're standing on and there it is. It's a great land where freedom reigns, and on October 12 we pay tribute to the man who made it possible for us to be here.
