The above representatives of the 700 Girl Scouts and Brownies of the Birmingham Girl Scout organization, together with the 500 adults leading their activities, remind their many friends and supporters of the "Save" drive which started in June, 1951, a portion of funds given to the United Foundation in its current drive will go to the Girl Scouts, as a participating organization.

At the end of the school year, June of 1951, the annual budget of the Girl Scouts will be covered by contributions made to the United Foundation during the next three weeks' campaign, which will eliminate the annual penny drive. Troop activities will continue to be financed by the sale of the traditional Girl Scout calendars and cookies.
