Plans are also being drawn up for some special concerts. The October meeting of the Birmingham Musicale will again be

an open one. Application for membership, active and associate, are being accepted by Mrs. Herbert G. Wood of Woodland Villa court, chairman of the membership committee. The club enrolled 54 new members last year. Mrs. H. H. GARDNER is preparing the Musicale's year book, which will be presented to members at the October meeting. Go for a ride—and you'll agree
"Better Balance" makes MERCURY
 just right for you!

1. You get the right riding comfort!
 Almost the very moment you set foot in the Mercury you know you've found the car you've always wanted! Big! Roomy! Leg roomy, too! And so quiet! So utterly QUIET! You hardly know you're moving—so smooth and silent is that Mercury ride!

2. You get the right roadability!
 Try it on a curve . . . a rough road . . . a tight spot in downtown traffic. This big Mercury handles them all—and with ease. "Stedi-Line" steering . . . "Cushion-Coil" springing . . . a super-rigid chassis make owners call it the smoothest riding car they ever drove!

3. You get the right power!
 You've got "get-up-and-go" to spare in Mercury! Its big, V-type, 8-cylinder, made-only-for-Mercury engine is right for the car—and the car is right for the engine! Mercury is "America's No. 1 Economy Car"! Drive it yourself—and see why!

Don't miss the big television ad, "TOAST ON THE TOWN" and the Sullivan. See your local newspaper for time and station.
