

State Police Open Ranks to Married Men

For the first time in their history, the Michigan State Police have opened up enlistments to married as well as single men.

Candidates are now being accepted for a training school scheduled to begin about October 1 and from which will be graduated 60 new troopers recently authorized by the state legislature as part of the state's civil defense program.

"The purpose in enlisting married as well as single men is to obtain personnel least subject to being drafted into the military services, but still meeting our physical requirements," Commissioner Donald S. Leonard said.

"There are many men in this group, particularly veterans of the last war, who provide excellent material for recruitment.

"In addition, they now have the opportunity to join a career service which offers permanent tenure and financial security in the future."

CANDIDATES MUST BE between the ages of 21 and 30, and in good physical health and of good moral character. Persons interested are advised to write immediately to the State Civil Service Commission, Michigan State Police Headquarters in East Lansing, or to visit their nearest State Police office for full information.

Action should be prompt as it is planned to begin organizing the school during the next 26 weeks.

During the eight weeks spent in school candidates will receive their board and lodging and pay at the rate of \$100 a month, an increase of \$50 over the amount formerly paid. Those who graduate will immediately go on the regular scale of pay for troopers.

"Inasmuch as the police are a key essential in home front defense, enlistment will provide a way to serve in an important capacity in the overall security effort," Leonard stated.

Chicago Ramblers Lose to Gold Hats

The Detroit Gold Hats ended their regular 1950 season with a victory Sunday as they defeated the Chicago Ramblers, 8-5, at the Detroit Polo field.

After the score was deadlocked 4-4 at the end of the third chukker, the locals slammed in four markers in the final period while the Windy City squad was scoring one.
 Captain Volney Bayley and Davy Williams each racked up three goals, with Harold Try scoring two for the victors. The Chicago trio's scores were made by Bud Moss with three and Benny Peacock and John Casoy with one each.
 The win gave the Gold Hats a season record of 11 victories and two defeats.

New 1951 Nash

More performance under the hood as well as new beauty inside and out distinguish 1951 Nash Ambassador and Statesman models. For improved performance, greater comfort, and better riding qualities, Nash has made numerous mechanical changes, including increased steering ratio providing 10 per cent less steering effort; finer engine performance with a new-type carburetor, improved spark mechanism; and increased riding comfort with improved shock absorbers. On 1951 models, hydraulic transmission is optional for the first time on Statesman as well as on Ambassador models.

Gravel Promised for S. End of Grant St.

Gravel is to be placed yet this fall in Grant street, from Catalpa south to 14 Mile, City Manager Donald C. Egbert promised this week.

Egbert said he would also look into the matter of sidewalk replacement in the Davis-Smith area where sewer trenches have been dug for new residences.
 Egbert was told that some of the sidewalk cuts have had little or no maintenance since they were dug more than three months ago.
