We Heard It Said By:—

Vincent Seconina, Birmingham high school football coach: "If we hope to get off to a good start this season, we have a difficult job at hand when we play Dearborn Sept. 22. We were most fortunate in catching them unprepared last year when we won 27-0. It is known they have most of their last year's squad back. In addition, then we were their first game and this year, they scheduled Jackson high school for their opener."
