Needlework Guild Names Fourteen Section Leaders

Fourteen new section presidents of the Birmingham-Bloomfield branch of the Needlework Guild of America will be honored tomorrow, September 29, at "Stargazing" in the Bloomfield Hills home of Mrs. Sterling Saunders.

Assisting Mrs. Saunders in welcoming their guests, will be Mrs. Benjamin Brewster, branch president and the following members of the board: the Mesdames Robert N. Woodruff, William Breech, William Thomas, Jr., Carl Whirl, William L. Graham, Donald S. Bell, Glenn Miller and Kenneth McGregor. Also present will be honorary members Mrs. Homer Hyde and Mrs. Marvin G. Kirn.

THE APPOINTMENT of the new section presidents marks a step in the growth of the local branch, in that the organization has outgrown the more limited "town" form of group which, for the past 18 years has provided an adequate framework for the welfare activities of the branch.

As it enters its nineteenth year of service in this region, it will be as an expanded "city" branch, that the N. G. A. will function.

MRS. CARLETON C. Patterson, Mrs. Ferd Brock, Mrs. Law-

rence Howe, Mrs. Paul B. Hoffman and Mrs. E. A. Schirmer are the five past presidents who have fostered the growth of the branch. From a small group, the branch has grown to a membership of more than 1200.

The work of many organized welfare agencies, such as the Family Service Center of Pontiac, Birmingham and Bloomfield; the Community House, Health Nurse, various Oakland County hospitals and the Home Service department of the American Red Cross; will be able to augment their work due to the gifts of new garments which will again be collected this fall at the Fall In-gathering, November 1 and 2, at the Birmingham Community House.

Mrs. Patterson has headed the work of reorganization and helped to create the first regional branch, also acting as its first president.

The new section presidents working with Mrs. Brewster, Mrs. Patterson and the board are the Mesdames Whiting Raymond, S. Cook Allen, James A. Beresford, Homer Hyde, Thomas Smith, W. L. Graham, Donald S. Bell, C. C. Patterson, Benjamin Brewster, Alfred LaBelle, Jack Sanders, Mortimer Neff, David W. Lee and Fabry Schmidt.

Social progress makes the well-being of all more and more the business of each; it binds all closer and closer together in bonds from which none can escape.
