Squint's Drumming For Fair Play!
Squint Miller's mighty proud of the lot he owns that fronts on River Road—one of the prettiest spots around here.
He's been in a stew about it lately, though. Seems that trash-dumpers take one look at his property, stop their car or truck, and out goes a load of rubbish, spilling all over his place and the roadside, too. Wouldn't that make you mad?

From where I sit, Squint's sign should make any would-be roadside trash-dumpers pretty darned ashamed of themselves. Now and then some folks just have to be reminded that they ought to have as much regard for their neighbors' rights as they do for their own.

Last night Squint dropped by the house. Over a friendly glass of beer, he tells me what he's done. "I put a couple of empty oil drums

out there," he says, "with a big sign reading: 'If you must dump trash—use these—I like to keep my property clean!'"

REPUBLICANS of MICHIGAN....

Let's ask ourselves a fair question . . . Which of Our Candidates for Governor can defeat Williams in the November Election? **THE ANSWER IS SIMPLE:**

In winning re-election as Secretary of State in 1948, Fred Alger led the Republican ticket with 1,043,913 votes in the face of a Democratic landslide. **THINK THAT OVER** between now and election day . . . and remember this . . . it will take youth to win . . . Alger is young. It will take a vote getter to win . . . and Alger has proved his vote getting ability. **Make no mistake . . . Fred Alger is the one man among our candidates for Governor who can bring us victory in November.**

Let's not waste our valuable votes on a candidate who hasn't a chance to win the election. Let's get together and nominate the one man who has everything it takes to beat Williams! Youth . . . vigor . . . an honest record . . . and the proven ability to get votes . . . WITH FRED ALGER WE CAN WIN AN IMPORTANT REPUBLICAN VICTORY IN NOVEMBER!
