LEGAL NOTICES

NOTICE OF SALE
$12,000.00
TOWNSHIP OF SOUTHFIELD,
OAKLAND COUNTY, MICHIGAN
BIRWOOD SPECIAL ASSESSMENT
SIDEWALK BONDS

Sealed bids for the purchase of Birwood Special Assessment SIDEWALK bonds to be issued by the Township of Southfield, County of Oakland and State of Michigan, of the par value of $12,-000.00 will be received by the undersigned at the Township Hall at 26080 Berg Road, Southfield Township, Route No. 3, Birmingham, Michigan, until eight o'clock P.M. Eastern Standard Time on Tuesday the 24th day of April, 1951, at which time and place said bids will be publicly opened and read.

Said bonds will be dated as of March 15, 1951, and will be coupon bonds in the denomination of One Thousand Dollars ($1,000.00) each, and will be numbered consecutively in the direct order of their maturities from one (1) to twelve (12), both inclusive, will bear interest from their date at a rate or rates not exceeding five (5) per cent per annum, expressed in multiples of one-quarter (¼) of one (1) per cent. Said interest will be payable on July 1, 1951 and the first day of January and July of each year thereafter. The interest rate for each coupon period on any one bond shall be at one rate only. Accrued interest to date of delivery of such bonds shall be paid by the purchaser at the time of delivery.

The bonds will mature serially as follows:

Serial Nos.	Maturity Date	Amount
1, 2, 3	January 1, 1952	$3,000.00
4, 5, 6	" 1, 1953	3,000.00
7, 8, 9	" 1, 1954	3,000.00
10, 11, 12	" 1, 1955	3,000.00

Both principal and interest will be payable at the Birmingham National Bank, Birmingham, Michigan.

Bonds numbered one (1) to twelve (12) inclusive maturing in the years 1952 to 1955, inclusive, shall be redeemable at the option of the Township in direct numerical order on any interest date at par and accrued interest. Thirty (30) days notice of redemption shall be given by publication in a paper circulated in the State of Michigan, which carries as part of its regular service, notices of the sale of municipal bonds, and in case of registered bonds, thirty (30) days notice shall be given by mail to the registered address.

For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from May 1st, 1951 to their maturity and deducting therefrom any premiums. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the Township. No proposal for the purchase of less than all the bonds or at a price less than one hundred (100%) per cent of their par value will be considered.

The bonds are not a general obligation of the Township of Southfield and are payable both as to principal and interest, solely from the proceeds of special assessment taxes from the special assessment district created and known as Birwood Special Assessment Sidewalk District.

A certified or cashier's check in the amount of Two Thousand ($2,000.00) Dollars, drawn upon an incorporated bank or trust company, and payable to the Order of the Treasurer of the Township of Southfield must accompany each bid as a guaranty of good faith on the part of the bidder to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of unsuccessful bidders will be promptly returned to each bidder's representatives or by registered mail.

The purchasers of the bonds shall obtain their own legal opinion as to the legality of the bonds. The cost of said legal opinion and of printing the bonds shall be paid for by the purchaser. Bonds will be delivered at Detroit, Michigan, or such other place as may be agreed upon with the purchaser.

The right is reserved to reject any and all bids.

Envelopes containing the bids should be plainly marked "Proposal for Bonds".

FANNIE ADAMS,
TOWNSHIP CLERK.
