

The history of mankind proves that the only quality of life that is preserved and worthy of perpetuation is Truth. That is what the best in man fights to make enduring... even though at times some of it seems to be lost, but really isn't.

There's one out-of-town motorist who doesn't like Birmingham's Friday night operation of parking meters—and he has written the mayor to that effect. He is Editor Edmund W. Beatty, editor of The Grocer's Spotlight, who writes in part: "When it is the general thing for parking meters to be inoperative at night, who would think of reading the fine print to discover that Friday night is an exception? ... I just want you to know what visitors think of that way of handling the Friday night parking problem." He sent along his dollar fine and asked the mayor to give it to the violations bureau.

John E. Maetz, ex-mayor and former city commissioner who is Birmingham's representative on both the Woodward General and Oakland hospital boards of trustees; "I prophesy that if Oakland hospital is built in Birmingham, it will be a long time before a hospital is erected at 13 Mile and Woodward—I don't believe that 4/10 of a mill levy will pile up enough money to build it. The only way would be to go to the people for more money—and they would have to do that soon."

No. Birmingham Lodge No. 44 F. & A. M., has not been operating for the past hundred years without a charter. The sentence in last week's story which implied this just happens to be one of those "slips in the type" which several national magazines like to pick up now and then. We hasten to assure one and all that the charter was granted on June 19, 1851.

The condition of Oakland Hill golf course was cited on Ed Sullivan's Toast of the Town television broadcast Sunday evening. Famed professional golfer Byron Nelson, who was a guest on the

Travelers Home
Mr. and Mrs. Timothy LaFonaine returned to their Lahser road home last Saturday after a month's air tour of the southwest. Points of special interest were Greenada, Mexico, Phoenix, Albuquerque, Los Angeles, Hollywood, San Francisco and Reno. They attended the sunrise services at the Grand Canyon on Easter Sunday.

Back from Florida are the W. H. Hines, Mrs. H. H. Hines, Mrs. Kitty Ann and Bob. Hinnan attended the Industrial Relations Institute of the National Association of Manufacturers at Belaire

show, commented that he had toured the course a few days before Nelson stated. "The club has done a great job in developing the course." He also commented that he wouldn't be able to compete in the National Open at Oakland Hills this June. He jokingly added that after touring the course and noticing its difficulty, he was relieved he wouldn't be entering the tourney.

Workers in the uptown business area had several sessions with the "Saturday Morning Symphony" as the double parking problem of fellow motorists who retaliated with horn blasts. Now, we know that double parking is a dangerous practice and shows very little consideration for the other fellow. However, in an echo of the sure does raise Cain with a telephone conversation when a motorist's angry drivers begin "voicing" their protests.

At the coronation laying ceremony for the First Methodist church Sunday, it was announced that Mr. and Mrs. R. J. Emmert, 348 Berwyn, will donate a pipe organ for the new building. It will be installed upon the completion of the building, according to the Rev. Arnold F. Runkel. The three manual organ will have 45 ranks of pipes and will contain an echo organ, organ chimes and a harp.

The six non-resident members of "Michigan's Most Exclusive Hunting Club" near Curran, Mich., are fearful no longer of "being sent to the Upper Peninsula." They have elected as club president Harold McNaughton of Cleveland, brother of Birmingham's Dr. Archie McNaughton, also a club member. Harold this week sent bona fide membership cards to other members Dr. Jack Hasenberger, brother Archie, Ray Cook, Paul Averill, and Bill Gardner. The club owners who seem to have no say and who are victims of this coup d'etat are Russell McBride and Joe Moery.

Mrs. Francis W. Niedenfur, speaking for the Birmingham MOM's club, said Monday, "We are very anxious to get the names and addresses of all Birmingham boys who are now serving with the armed forces. It will be deeply appreciated by the members if anyone knowing of a local serviceman will notify us of his name, rank and address as soon as possible."

members and their dates. Plans for the evening include a movie, buffet supper and dancing.

Meetings Planned
The Evening Circle will meet tonight at the home of Mrs. Robert Mitchell on Franklin Park drive. The meeting is scheduled for 8:15 p.m. Co-hostesses will be Mrs. Wendell Brown, Mrs. Wade Brown and Mrs. Willard Hart.

St. Anne's guild of Holy Name church will meet at 12:15 p.m. on April 25, at the home of Mrs. S. Z. Kowalski, Delbert Adams of Birmingham road, will discuss floral arrangements. Co-hostesses are to be Mrs. Joseph Tully and Mrs. John Sader.

City of Franklin?
The major portion of the meeting of the Franklin Community association last week was led by the incorporation committee chairman, Robert Spreen, who gave an interim report on the committee's findings. A motion that the association go on record as favoring the incorporation of the Franklin school district into a city or village, deemed premature, was withdrawn. The ensuing debate revealed the membership was far from agreement on the subject. The committee is to continue its investigation and report at a later meeting.

General news deadline is 4:30 p. m. each Tuesday.
