### Chantilly Lace Fashions Gown of Norma McGoogan

White Chantilly lace over white satin was worn by Norma Jeanne McGoogan, at the Saturday marriage ceremony in St. Dunstan's Chapel of Christ Church Cranbrook. Her veil of fingertip length fell from a cap of satin and Chantilly lace like that of her gown. She carried an arrangement of stephanotis and lilacs of the valley with a green orchid in the center.

Rev. Robert L. DeWitt read the 3 o'clock rites which united Miss McGoogan to George Edward Bee, son of Mr. and Mrs. George Alexander Bee of Bloomfield Hills. Mrs. Willett McGoogan of Huntington Woods and Mr. Walter McGoogan of Detroit are the parents of the bride.

MRS. JAMES BEE LEAHY, sister of the bridegroom was matron of honor. The bridesmaids were Betty La Ruch, Lynda Randle and Mrs. Calvin C. Connell. They wore identical gowns of aqua dotted wis and large white horsehair hats with aqua cabbage roses under the brims. They carried bouquets of Gerberas.

Richard O. Reck was best man and Philip Detwiler, Warren Kendall and George Moore of Wash-

MRS. GEORGE E. BEE  
ington, D. C. served as ushers.

An afternoon length frock of tanbark Chantilly lace was the costume choice of Mrs. Mc-

Googan. To complement this she wore a large straw hat and accessories of brown and bronze cyripedium orchids.

Mrs. Bee selected a gown of brown and white prints, a natural straw hat and brown accessories. She wore a corsage of white phalaenopsis.

Casa Rosada Ranch in Patagonia, Arizona was the destination of the couple following a reception in the home of the bride's mother. For traveling the bride donned a platinum grey suit and brown accessories. Her hat was of heavy veiling with sprays of lilacs on each side and she wore a beige pyramid coat. The green orchid from her bridal bouquet completed her ensemble.

### PROOF of its healing power

The way to health, harmony, and peace among men is earnestly and unselfishly sought by both science and religion.

Many divergent methods confront mankind. But the claims of all ultimately submit to one test — the test of proof, the test of demonstration.

The final chapter, called "Fruitage" in the Christian Science textbook

**SCIENCE and HEALTH with Key to the Scriptures** by Mary Baker Eddy consists of one hundred pages of unsolicited testimonies from men and women in all walks of life. In simple language they tell of the healing and freedom which came to them from the thoughtful reading of this book alone.

All these testimonies have been carefully authenticated. All manner of disease and discord has been cast out, permanently and promptly, through devoted study of this great book.

This is the living proof that Christian Science provides of its healing power.
