"Step-down" designed Hudsons receive ASIK, highest Merit Award for the second consecutive year as a result of Hudson leadership in research, engineering, design and manufacture.

Standard trim and other specifications and accessories are subject to change without notice.

Take your cue from those "in the know" when you're looking for the best car for the long tomorrow.

Hudson has received the Merit Award of the American Society of Industrial Engineers—an official salute to the great durability built into every Hudson.

And no wonder! Hudson has rugged, high-compression engines—rigid Monohelit body-and-frame—nylon or monstabilized interiors with Dura-fab trim—and low-bulk, "step-down" designed styling.

Every fact about motor-car stamina points toward our showrooms. Come in—soon!
