Local Campers In YMCA Camp Films
 Boy members of the Birmingham Branch YMCA are featured in two films produced last summer at Camp Nissokone and Camp Ohyeska. The films are full color, 16 mm. with sound track, 15 and 25 minutes in length and are being shown by request to prospective campers, parents, churches, schools, civic groups and clubs.
 Camp Nissokone, located near Decoda, is attractively portrayed in its setting among tall pines and flanked by Lake Van Etten. Camp Ohyeska, on Fish Lake near Holly, is depicted as a rustic rendezvous for city boys who love an outdoor experience in living.
 Boys of nine years through 19 are eligible to attend either camp. Camp Ohyeska will operate in 1951 in three periods of two weeks each, the first commencing June 25, and two periods of ten days, closing on August 24. Camp Nissokone is a continuous eight weeks' camp with a schedule running from June 28 until August 23, divided into two periods of four weeks.

You save time when you call by number

 You'll save yourself time, these busy days, by keeping a list of the numbers of the out-of-town telephones you call most often.
 When you call by number, the Long Distance operator doesn't have to take the time to get the number from Information so your call goes through faster.
 That means better service for you—and better service for all America, right now when telephone lines are carrying urgent industrial and military calls.
 P. S. When you don't know the out-of-town number, why not jot it down when the operator gets it for you. That way you'll have it handy the next time you call.
