

## Ruth Shain Class To Hear Address By Dr. Hans Simons

The annual reunion breakfast of the Ruth Shain Class of International Affairs, sponsored by the local university women and local Women's Club will take place Friday morning, May 11, at 9:30 in the Community House.

Several distinguished guests will be present for the exercises but the main event will be an address by Dr. Hans Simons, president of the New School for Social Research in New York City.

Dr. Simons was head of the Judiciary System of Germany under the Republic, and for a time its acting president. He was used by the government structure of the American Occupation Authority from 1947 to 1949. His topic

is to be "Prospects For Western Europe".

Due to the importance of the speaker and his address the class has voted to open the breakfast to all interested persons. Reservations may be made with Mrs. George Green, Mrs. Lawton Taber and Mrs. Z. M. Bricker.

There will be two classes preceding the reunion. One on May 1 and on May 8. On May 1, Mrs. H. N. Hadjisky will talk on the problem of the American experiment in Puerto Rico, where she recently visited for two months.

The second part of the program will be the conclusion of Mrs. Philip Preza's report on the annual meeting of the American Academy of Social and Political Science, in Philadelphia.
