

You bet I'm Scotch!
That's Why I Insulate
My Home with
ZONOLITE*

Yes, the money-saving way to insulate your home is to install Zonolite Vermiculite. This new miracle insulation can slash your fuel bills up to 40%. You can save installation costs, too, by using Zonolite. It's so easy to do the job yourself, just open a bag of this clean, lightweight insulation and pour it between joists in your attic. It's as simple as pouring water from a glass. Zonolite gives you extra fire protection at an extra cost. It's so fireproof it actually quenches our flames. And once installed, it's good for the life of the building. Come in and ask us how you can save money by insulating with Zonolite.
