Get Rid of the "PING"
Make your Engine

with a
**CARBON BLAST
TUNE-UP Special**

If your car seems to have lost its original pep... if it knocks and "pings" when you step on the gas... then it's high time you brought it in for our Carbon Blast Tune-Up Special. Yes, this amazing new low-cost service treatment gets right down to the most common basic cause of loss of engine power, sluggish performance, and poor economy of operation. For, by using the revolutionary new Kent-Moore "Head-On" Carbon Blast, we can quickly and effectively remove the objectionable carbon deposits from your engine's combustion chambers without removing the cylinder head! Because this remarkable new machine blasts special hard-grained cleaning agent directly into the chambers through the spark plug holes. Ricochet action chips off the carbon and constant air pressure forces all residues out through a special return hose. No fuss, no mess, no bother at all! It's safe, it's sure, it's amazingly effective! And once your engine is free of carbon, our experienced mechanics can tune it to perfection in accordance with original factory specifications! So get rid of the "PING"... make your engine "SING" Drive in soon for a Carbon Blast Tune-Up Special!

Why not give
your Pride a break?

LET'S see what it means to own a ROADMASTER.

It means, first of all, that you're a shrewd judge of fine manufacture. Nowhere will you find a mechanism more skillfully fitted part to part with scrupulous precision—engineered to stricter standards of fine-car quality—than the deep-framed and durable ROADMASTER chassis.

It means, also, that you possess keen appreciation of everything that makes for unsurpassed performance.

For there's more to this dazzling beauty than its thrilling take-off. There's the surplus of power that you need to make you the master of busy traffic or open road—plus the velvet

magic of Dynaflo Drive (at no extra cost, mind you).

There's the level-going luxury of ample roadweight buoyantly balanced on coil springs on every wheel—and the security of brakes specifically engineered for firm control of this great-powered beauty.

But there's still another distinction to being a ROADMASTER owner.

It marks you as one who buys wisely and well. Size for size, pound for pound, feature for feature, few cars can even approach what your dollars will buy in this finest of Buicks.

There's much more to be discovered by a

visit to any Buick dealer's showroom.

There's the sumptuous softness of cushions, the custom excellence of fabrics and interior trim, the grace and charm of every line and contour.

So if you've dreamed of sometime owning a car superbly fine, there's no time like the present—and no car like ROADMASTER for making dreams come true.

Equipment, accessories, trim and models are subject to change without notice.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.
