Conditioning Urged For Local Gridders

Although this week's torrid weather wasn't conducive to thoughts of football, there is at least one person in town who has that subject very much on his mind.

Birmingham High School Football Coach Vincent Secontine has asked that all his grid prospects start conditioning work.

He pointed out that the boys should be fairly well along in their conditioning by the time football practices get underway, Monday, Aug. 27 at 9 a.m. Two practice sessions a day will start, beginning Aug. 28.

City Recreation Baseball Loop Led by Barons

The Barons this week clinched first place in the city recreation baseball Class B league, and temporarily took over leadership in Class A.

This squad was last year's B champs, and have a record of ten wins and one defeat in Class B, and three and one in A.

Bisons remained in second place in Class B with six wins and three defeats, followed by the Cardinals and Ballhaws.

HOMERS WERE hit this week in Class B by Bob Libby, Gordon Shira and Tom Tracy. Dick Shelton's 14 strikeouts against the Bisons was the outstanding pitching feat.

In Class A, the Barons are followed by the Mohawks and Lutherans with two wins and two defeats and one victory and one loss records. The Mudhens trail with one win and three defeats.

The Lutheran squad again gained its first win of the season by downing the Mohawks 6 to 4. Although the Lutherans were held hitless by Jim MacFarlan walks and errors proved costly. Brown and Agnew hurried fourth-inning half for the victors.

Class B playoffs start Friday, Aug. 3, with the Barons playing the Cardinals in a two out of three series. Winner engages the Bisons. Class A playoffs begin Monday, Aug. 13 with the top two squads meeting in a two out of three game series.
