final Group of Local Youngsters Letters to Santa Claus

I MUST SAY THAT hearing some of your letters read on the Garry Moore show last week gave me a great thrill, too. You see, boys and girls, it helps to prove my point: If you buckle down and do a good job, a lot of people will know about it and be proud of yos. You keep at it, work hard at everything you do, and evexyone will be proud and happy to know you.

Now, just as soon as I finish this.letter to you, it is time for me to go to bed. I have to do a lot of sleeping this weekend because Monday night I'm going to be pretty busy.
