**Birmingham Gun
 Club Reelects
 Same Officers**

Ned Mansfield, 984 Forest, was reelected president of the Birmingham Gun Club at the group's annual meeting and election of officers Saturday.

All other officers were reelected with the exception of the office of assistant field captain which wasn't filled the past year.

Others reelected were Robert Porritt, 1200 Latham, vice-president; Warren E. Bertollet, Detroit, secretary-treasurer; Lew Brungarber, 652 Ann, field captain; Thomas Casley, Detroit, assistant field captain; and E. A. Parks, 356 Pierce, steward.

NAMED DELEGATE to the Michigan Trapping association was Herman Finanger of Detroit, and alternate will be Steve Butts, also of Detroit.

The club added 12 new members during the year with but one resignation. Membership now totals 99.

Walnut Lake Men's Club

A venison lunch will highlight the Dec. 7 refreshment hour of the Walnut Lake Men's club. The meeting will be held at 9 o'clock in the club house and is open to all men of the community.

**Season Underway
 Tuesday for 'Y'
 Church League**

Four teams comprising the Birmingham YMCA Church basketball league will begin a three-month battle to determine the intermediate division champions of this area next Tuesday evening in the First Baptist Church gymnasium.

In the initial game at 7 p.m., Lathrup Township opposes St. James Episcopal church, and at 8 p.m. First Presbyterian church meets Embury Methodist.

Three rounds of play and a post-season play-off series will determine Birmingham's representative in the metropolitan Detroit play-off. St. James church is defending champion.

**Sewer License Granted,
 Action Held on Second**

One sewer license was granted and action on a second delayed by Birmingham city commissioners Monday.

A license was granted the Plymouth Development company to establish sewer service for several homes they plan to build on Devon Lane which does not have sewer service. Permission was granted "until such time as other sewers become available to these homes." It will become a day-to-day license at that time.

The petition of Dr. and Mrs. Joseph Amalitano to connect a Redding road lot to the Brookwood sewer was delayed to permit a report on the creation of a special assessment district to be prepared by City Manager D. C. Egbert. This will probably be ready the middle of next month.

**Bloomfield Village Cub
 Pack Is Tagged B-16**

Bloomfield Village school's Cub pack was officially formed Monday evening and assigned "B-16". The present pack has 18 members, which will be divided into four or five dens.

Robert Ryan, who will handle publicity for the Cubs, said small dens would be blocked out to permit additional members as others join the group.

Robert Williams, area scouting leader, spoke to the parents and explained the aims and purposes of Cub packs. A meeting is scheduled for Dec. 10, when additional officers will be named and den mothers appointed.

No Home Contests

Charles Mortensen, Chamber of Commerce secretary, Saturday morning said that as far as he knew, no plans had been made for a home lighting contest this year.

Have You Met . . .

Mr. and Mrs. Leonard J. Marquis? They moved from Detroit to 25660 Meadowood on November 1. Mr. Marquis is president and general manager of the Roadway Mounting and Equipment Company, and the Industrial Transport. The Marquis has three children, S/Sgt. L. Gerard, USAF, F-4U, F-100, and F-105; and a daughter, Mrs. Camellus OPM, Joel, Dennis, and Don Neiges. The parents are golf, bowling, and roller skating. Mr. Marquis is a member of the Motor City Traffic Club, the Detroit Traffic Club, and various church societies.

**Officer's Courtesy
 Brings Praise**

Police Chief Ralph Mosley is trying to track down one of his own men.

The search was instigated by a letter received from Harold N. Hoard, administrator of the Alexander Blain hospital.

Hoard told of the treatment accorded to a friend of his who was stopped by two local officers last summer for exceeding the speed limit on Lincoln.

The officer, Hoard wrote, explained the need for a speed control in the area, and "in a few minutes did the most beautiful job of making safe drivers out of us that I have ever seen."

HE ENDED by saying that those involved now obey traffic regulations here because they want to, not because they feel they are forced to.

"... your methods of enforcement are appreciated, and in my opinion are the most effective I have ever encountered," he concluded.

Water Main Hearing

A hearing has been set for Jan. 7, 1952, to consider the necessity of installing water mains on Chelton, on Sheffield from Melton and Cheltenham and Dunstable from Melton to Cheltenham.
