Put a man behind the wheel of a Cadillac-and he's very likely to stay behind the wheel of a Cadillac!

Many and many a man is driving his fifteenth Cadillac – and it is not unusual to encounter an owner who goes far beyond that figure.

Naturally, a car must offer many things in order to have such an enduring hold on the affections of those who own and drive it.

It must be as faithful and dependable as a mechanical creation of its type can be.

It must be so pleasant to drive and so easy to handle that the hours at its wheel bring rest and

It must be so beautiful and so highly respected that

it is a compliment to its owner wherever he drives.

And it must be economical, both to operate and to maintain—for luxury brings a *dual* pleasure when it comes with no extra penalty in cost.

In short, if a car is to have such a hold on the regard of its owners, it must be a Cadillac!

If you have already ordered this distinguished car, and are awaiting its delivery, hold firm to your purpose—for each day brings you closer to your heart's desire.

But if we don't yet have your order, better come in and see us today. The sooner you place your order, the sooner you'll have those many wonderful things which only a Cadillac provides.
