

# Letters to Santa Claus Reveal Desires of Local Youngsters

Hello again, boys and girls. Here's your old Santa Claus, with Christmas letters right up to his chin and more coming. But, that's what Christmas is for, isn't it? For little boys and girls to tell me what they want in their stockings—yes, even to tell me what daddy and mother would like to have me bring them, too.

You keep those letters coming right along. This is the second week that The Eccentric has printed your letters to me, and rest assured that next week will see a great many more all ready.

I enjoy reading every one of them, and think you are doing very, very well with your writing and printing. See you soon!
