EGGS

Facts You Should
Know About Packers
Shadyview EGGS . . .

PACKERS Own Shadyview Eggs are always Grade "A" — they're always STRICTLY FRESH — and they're always LARGE Size. Another important fact — PACKERS Own Shadyview Eggs are candled and graded right in PACKERS own egg room — right here in Detroit. Then they are rushed to PACKERS Super Markets daily. That's why Shadyview Eggs are better — that's why they are always so good.
