## How Much You Can Save on Your Total Food Bill by Getting Storewide Low Prices on Hundreds of Items Every Day, Instead of Just a Few "Week-End Specials"?

**Customers' Corner**

At this time each year we honor our founder, George Huntington Hartford, who gave us this basic policy:  
"Always do what is honest, fair and sincere and in the best interests of our customers."  
Today, as in our first store 92 years ago, the men and women of A&P strive constantly to live up to that policy.  
If we should ever fail to do so, please let us know. Please write:

# Test Shop A&P!

Buy all your food and household needs at A&P for one week. Then compare the total cost with your usual weekly food bill. You'll save any day you shop.  
Because A&P not only offers storewide low prices on hundreds of items every day, but guarantees advertised prices for a full week, even though market prices go up. This guarantee applies to all advertised items... not to groceries alone, from Wednesday through Tuesday... not merely for a few days.

**A&P'S PRICE POLICY**

- Storewide low prices on hundreds of items every day... instead of just a few "one-day" or "week-end" specials.
- All advertised prices (including those guaranteed for one week price ceilings) are market prices go up.
- We believe this policy helps our customers save more money.
- With the correct price marked on every item, plus an itemized cash register slip... you know what you save at A&P.

All prices shown here (including those of items not subject to price ceilings) are guaranteed Wednesday, February 14 through Tuesday February 20th
