## The Pearl and the Price

Most people know the parable about the "pearl of great price," and the man who sold all that he had to buy it (Matthew 13:46).

Have you ever asked yourself what it meant?

The "price" is our surrender of the afflictive human thinking causing our troubles. But how to give up these human fears, how to grasp and follow and find freedom—that has been the difficulty. To find the way would indeed be the "pearl" of which the Bible parable speaks.

There is a great body of people who will testify today in heartfelt thankfulness—and for that reason they are subscribing these advertisements for the benefit of others—that Christian Science is this "pearl," this promised Comforter.

This liberating understanding is explained fully in the Christian Science textbook

## Scouts will leave Adams school

Feb. 24 at 9 a.m., for Camp George and their second winter campout. For the first time, the new troop trailer will be used to haul equipment.

Asst. Scoutmaster T. Hollister Mabley, in charge of the program, said there will be plenty of opportunity for rank advancement. Larry Quinn will conduct religious services Sunday morning.

The troop, sponsored by the Lions club, has just noted its 28th anniversary. Only one other sponsor, the Metropolitan Service club, has ever supported it.

Scoutmasters who have served are Clarence Cummings, 1925-31; Donald Mann, 1931-35; Earnest Engel, 1935-40; W. D. Hooper, 1941-44; Harold Holmes, 1944-49; Charles Dean, 1949-50, and since last September, Harold DeOrlow.

Changes in troop personnel include appointment of Dick Sneed to succeed John Kraft as quartermaster. Kraft has been made senior patrol leader, while Richard Giles takes over Sneed's former post as Scoutmaster.

Norman B. Weston has been elected troop committee treasurer.
